

JOIN US ON A RETRO WALK
CELEBRATING OUR
35TH ANNIVERSARY.

2009 PAT'S WALK

To commemorate the agency's 35th Anniversary this year, we will walk and roll a route that starts at our current location in Racine and ends at one of the agency's first locations. Stops at all Racine locations will showcase the agency's history. Proceeds from Pat's Walk are designated for the Society's Assets Transportation Fund that pays for social and recreational outings for people with disabilities. Without this Fund, many of the agency's consumers would miss out on social and educational outings. The outings are often the highlights of their year. The Walk is held in memory of Pat Anderson of Racine, a woman committed to ensuring the rights of people with disabilities. She was dedicated to making the community accessible for all. Her children, grandchildren, and great-grandchildren will begin the Walk.

Accessible vehicles will accompany walkers and rollers along the route. Assistance with pushing manual wheelchairs is available but must be requested on your Registration Form. Accessible restrooms and a rest/refreshment stop will be located along the route. After the Walk, participants attend the Finish Line Party and Lunch at Emmanuel Lutheran Church.
